

DONUT'S LAND

Donut: Where is that spoiled girl? She is creating some many problems. All I wanted was to win the first prize for the Best Inventor of the Year. I need to practice my memory erasing spell so I can erase only the bits that I want, not the whole brain. I feel “so bad” for the “poor girl”! I have to stop her before she meets the Queen of Sweets. If that happens she will get back her memories and I will be in big trouble.

You can be who you want to be ... just keep calm and act your way out!
