

BABALITY

King: Why are you laughing? Who told you that I allow you to laugh? You can laugh at my command:
LAUGH!

Leila, have you prepared the honorific table for my special guest? Cleopatra will be here soon and I want everything to be perfect! Dr. Zola, are my superheroes ready? Cleopatra will be here to negotiate about the strip of land that lays out between Qatar and Egypt. We are in the desert and for me is very important to build my new resort in the forest.

You can be who you want to be ... just keep calm and act your way out!
