

NEXT GENERATION

Cat Minna: I remember the first day when she brought her here. She was just a little child. It happened 13 years ago. I remember her big eyes and her whining. Uooooa, uooooa all day ... uooooa, uooooa, uooooa all night. I couldn't have a good sleep for half a year until our great Wizard Cikqora tested a new spell that could shut the child up, but on the other hand I started talking. Oh boy, oh boy, and I love talking, but not when the Wizard Cikqora is around. Ok ... back to our story. The little child grew and she was a bit lonely. Let me show you.

You can be who you want to be ... just keep calm and act your way out!
